## [Best Stores in Texas](#)

Lucky Magazine has included a [list](#) of their favorite stores in Texas in the December issue. Dallas stores include Cabana, Forty Five Ten, Kacky & Carl, LFT, Linus Lounge, Merge, The Shak, Studio Sebastian's, and V.O.D. (which is not technically open yet, but we know will be great as witnessed by the preview they gave us last month). Pretty good list, although they did leave out some of our other favorites: Elements, Krimson & Klover, and Ahab Bowen. Check out Lucky's complete list after the jump.
